Large Group Variances

Have	Have a smaller percentage of members with less than 90 days of abstinence
Have	Have a larger percentage of members working with sponsors
Identify	Identify Lack of sponsors as a larger issue than low attendance
Want	Want a speaker's bureau more than other possible intergroup services

Smaller Group Variances

01

Have a higher percentage of long term members (more than 10 years)

02

Place a little less emphasis on the spirituality of the program (3rd rather than 1st) for their personal recovery

03

Rate “Helping to increase attendance” as their #1 request from the Intergroup

In Person vs Online

In Person

- More found OA thru friends
- Higher percentage of long-term members
- Higher identification of the need to work with a sponsor
- Request Intergroup support for increasing attendance as #1

Online

- Put “Use of the Tools” as primary for their recovery
- GSI help in getting more attendance was 8th for this group
- Too small a response to some specific questions to draw conclusions
