The Annual OA Burn Party is an event to help us release the old and make space for growth. Please come and share in fellowship as we take time to reflect on the past year by bringing paper items to offer as tribute to the flames (journals, gratitude lists, inventories, writings, etc). If you do not have pre-written items to offer up, the opportunity to write and reflect on the previous year will be available.

As this is an outside event, be prepared with sunscreen, hats, and water to drink. A covered space to sit and spend time with your fellows as the sun sets will be provided. If there's a burn ban, we'll be shredding our paper items!

7th tradition donations can be made under Thursday Meetings, Mill Creek at:
